## BOARD OF PUBLIC SAFETY

Paul and his wife Marjorie moved to Torrington in 2007. Paul has been a professional investigator for 25 years. For five years he was the owner of a detective agency which provided all manner of civil and criminal investigative services. Since moving to Torrington, Paul has been an investigator with the Public Defender's office and currently serves as Supervisory Investigator at a state courthouse.

Paul was the valedictorian of the 2012 class at Northwestern Connecticut Community College (NWCC) in Winsted where he earned his Associate's Degree in Criminal Justice. He then earned a Bachelor's in Criminology from Central Connecticut State University and then a Master's in Criminology, Law & Society from the University of California, Irvine. Paul has also been an adjunct lecturer and returning guest speaker in Criminal Justice at NWCC.

"My wife and I moved to Torrington because of its strong community spirit and its robust municipal services. We were also attracted to the safety of the community and the professionalism of the public safety services. We are also active in our neighborhood block watch program."

"I'm running for the Board of Public Safety because I believe Torrington's police and fire services are critical to what makes this city a great place to live. As the only candidate with a criminal justice background, I will bring a unique insight to the board. I pledge to support our police and fire departments in their missions, while acknowledging an increasingly challenging fiscal reality. I will listen to and be responsive to the questions and concerns of Torrington residents and will always be their voice on the board."
