

ELECT

STEPHEN

IVAIN CITY COUNCIL

Stephen Ivain is a husband, father of three children and a lifelong resident of Torrington. Stephen has served in the financial service industry for 25 years, helping to improve the financial stability and security of working families.

Stephen is a graduate of Connecticut College with a BA degree in Mathematical Science. He has been employed by two Fortune 500 companies as an investment analyst and product manager supporting group retirement plans & benefits.

Stephen has been a volunteer at Chorus Angelicus in Torrington, and is currently Chairman of the board of directors. He has been a volunteer for several non-profit organizations in Hartford where he previously worked.

“Our city government has not brought businesses and good jobs to Torrington. We have a mill rate that is one of the highest in the state and a grand list that has grown less than 1% each year over the two years. As someone with a financial background, I will work tirelessly to make economic development the number one priority for our city government. Unlike many on the present City Council, I will listen to the concerns of our taxpayers and will fight to make sure their voices are heard.”
