SHARON

WAAGNER CITY COUNCIL

Sharon and her husband have lived in Torrington since 2008 and have two adult children. Sharon obtained her Bachelor's degree in Educational Science and Master's degree from SUNY Albany. While living in Torrington, Sharon worked at St. Peter's School and later at Torrington Downtown Partners.

A very active member of the community, Sharon currently serves on the Planning & Zoning Commission, on the Northwest Connecticut Economic Development Commission, and on the board of the Torrington Library. She also volunteers with the Community Emergency Response Team and her Neighborhood Watch group.

"Over the past few years I have regularly attended meetings of the city's boards and commissions, including City Council. Like many residents, I am dismayed that the mayor and the Republican majority on the City Council do not listen to the concerns of our city's residents. This reached a breaking point for me when these same members, backed by the mayor, voted in favor of the Woodridge Lake sewer extension. They did this despite the overwhelming opposition of the residents who attended these meetings and despite the strong opposition of the Torrington Water Company, the utility which provides clean and safe drinking water to our residents."

"I'm running for City Council to be a voice for all city residents, so that their concerns and questions are addressed. I will fight to make sure our city government is transparent and accountable to our residents. I will also tackle the number one challenge facing Torrington: the lack of economic development which has caused our grand list to stagnate and our taxes to remain high. With your vote, I will be your voice in City Hall."
